DURSTONE

Desde hace 20 años, en Durstone nos hemos dedicado a un objetivo claro: innovar y crear productos únicos de la más alta calidad. Este compromiso nos ha impulsado a ir más allá de lo esperado, no solo siguiendo las tendencias estéticas, sino también explorando nuevos y diferentes usos de la cerámica. Gracias a esta visión, hemos ampliado nuestra oferta más allá del porcelánico, con innovaciones como los revestimientos de la marca Q, las placas de gran formato y mínimo espesor Durslab, o la línea de elementos de baño D'Bath.

Cada pieza que creamos es el resultado de una dedicación meticulosa en su planificación, diseño y desarrollo. De la combinación de gráficos, formatos y texturas, nacen colecciones con un carácter distintivo y original: las Colecciones Durstone.

Le invitamos a descubrir nuestras piezas más innovadoras, presentadas en este catálogo con motivo de nuestra participación en Cersaie. Esperamos que le inspiren y emocionen tanto como a nosotros.

For the past 20 years, at Durstone, we have pursued a singular goal: to innovate and create unique, high-quality products.

This unwavering commitment has driven us to exceed expectations, not only by embracing aesthetic trends, but also by exploring new and diverse uses of ceramics. Thanks to this vision, we have expanded our offerings beyond porcelain, with innovations such as the Q brand, Durslab large-format and slim-thickness options, and the D'Bath line of bathroom elements.

Each piece we create reflects meticulous attention to planning, design, and development. By combining graphics, formats and textures, distinctive and original collections are born: The Durstone Collections.

We invite you to explore our most innovative pieces, presented in this catalog for our participation in Cersaie. We truly hope they inspire and excite you as much as they do us.
